## Grand Chapître

### Bailliage des Etats-Unis

October 3-7, 2018  
Seattle, Washington

The **2018 Grand Chapître** is quickly approaching and once again our society will come together so we can share the camaraderie of members from near and far and the camaraderie of the table. It is the one time of year when we get together to be with our Chaîne friends from around the county and other parts of the world and have an incredible amount of fun. This year's festivities will take place in Seattle at the world class, 5-Star **Fairmont Olympic Hotel**, 411 University Street, Seattle WA 98101, October 3 through 7.

The Pacific Northwest is an enchanting region, and it provides us with a backdrop for not only an exciting area to visit, but one of the most scenic areas in the world. In the pocket of the Puget Sound Lowlands, the city of Seattle has flourished, thus earning the name, "The Emerald City." It has forged an identity that capitalizes on its unusual juncture of outdoor and urban pleasures. Being on the coast, it has one the best seafood regions in the world with a treasure trove of food gems throughout the city. The Chaîne has put together one great activity and dining experience after another just for you. You will enjoy a captivating ferry ride to Bainbridge Island, visiting some of the best wineries in the State of Washington, Snoqualmie Falls and even a visit to the famous Chihuly Museum & Garden. It will be an experience of a lifetime. Don't deprive yourself! Make it a point to join us in Seattle to support this organization that means so much to us all, and to take advantage of these spectacular events and activities planned exclusively for Chaîne members.
